The law **protects** against charges for:

- Having drugs for your own use ("simple possession")
- Violating any condition of your parole, bail, probation, or conditional sentence ("house arrest") from a previous **simple possession charge**

The law **does not protect** against charges for:

- Selling illegal drugs (trafficking): Police may suspect this if you have a large amount of drugs, cash, or items like scales, baggies, and debt lists
- Offences other than simple possession
- Any outstanding arrest warrants
- Violating any condition of your parole, bail, probation, or conditional sentence for **an offence that is not simple possession**
